Another Railroad Possibility.

Austin, Tex., Nov. 4.—The Attorney General today approved and the Secretary of State filed the charter of the Fort Worth and Southwestern railway of Fort Worth, a concern with a capital stock of \$400,000, and principal offices located at Ft. Worth. The charter proposes a railroad from Ft. Worth to Eagle Pass in Maverick county, to be constructed through or into the following counties: Tarrant, John- son, Somerville, Erath, Hamilton, Coryell, Lampasas, San Saba, Llano, Mason, Gillespie, Kerr, Kimble, Bandera, Edwards, Uvalde, Kinney and Maverick, a distance of approximately 350 miles. The incorporators are W. D. Morton, L. A. Wright, J. P. Farr, J. J. Farr of Glenrose, Somerville county; J. M. Goldstein of Milford, Ellis county; W. E. Harrison and W. B. Hadley, Ft. Worth; D. C. Morris of Waltrip Springs, Bosque county; M. W.

Shuler, Waco.—Houston Post.

The promoters of this proposition evidently never saw the west end of Bandera county and adjacent territory. It would be an exceedingly expensive piece of road through this section of the country. And, too, very little traffic could be secured by the road in that section.

An ideal route would be from Kerrville through Bandera Pass to Bandera, from Bandera through Quilhi pass to Hondo and from there via Batesville to Eagle Pass.

We would suggest that Bandera, Hondo and Batesville take the matter up with the railroad company, showing the many disadvantages of the route proposed by the Company and also showing the Company the many advantages of the Kerrville-Bandera-Hondo-Batesville route.—Bandera Enterprise.

Wake Up!

Last week we notified our people that a charter had been granted the Ft. Worth and Southwestern Railway Co., of Ft. Worth, who propose to build a road from that city to Eagle Pass, and that the company proposes to build its road through the Western end of the county and miss the town of Bandera a good many miles. We also stated, and we still offer it as our belief that the company could be induced to build their road from Kerrville through Bandera pass to Bandera and from here through Quilhi pass to Hondo, and from there via Batesville to the point of destination.

The many advantages of such a road to our town are too apparent for us to waste time in discussing. Now, will our people investigate this matter and do something, or will they continue to sleep?—Bandera Enterprise.

Gave Up Hope

"I suffered five years, with awful pains, due to womanly troubles," writes Mrs. M. D. McPherson, from Chadbourn, N. C. "They grew worse, till I would often faint. I could not walk at all, and I had an awful hurting in my side; also a headache and a backache. I gave up and thought I would die, but my husband urged me to try Cardui, so, I began, and the first bottle helped me. By the time the third bottle was used, I could do all my work. All the people around here said I would die, but Cardui relieved me."

TAKE *CARDUI* Woman's Tonic

Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so?

The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N.Y.

Died.

Mrs. Louis Moehring (nee Wilhams) died at her home at Bader Settlement on Wednesday morning, Nov. 15th, and was laid to rest on Thursday afternoon at the Lutheran Cemetery. Rev. Walter Kralik performing the ceremony. Deceased was born Dec. 29, 1836, at Schaumburg Lippe, Germany, consequently was in her 75 year at the time of her dimise.

In 1855 she was happily married to Mr. F. Poehler. This union was blessed with two daughters. They came to this Country in 1860, and in 1862, her husband died, and on August 15, 1865, deceased was again happily married at Castroville to Mr. Louis Moehring (who preceeded his wife in death in 1904). This second union was blessed with six children, four of whom, two sons and two daughters, as also the two daughters of the first marriage, survive.

Besides those already mentioned, deceased leaves twenty grand, and fourteen great grand children and a number of other near and dear relatives to mourn her loss. Deceased was a devout christian lady, a dutiful wife, a loving mother and a kind neighbor beloved and respected by all who knew her.

A large concourse of mourning relatives and friends escorted the remains to their last resting place. We join the many friends in sympathising with the bereaved ones. R. I. P.

A Bald-Headed Woman.

Shorn of Her Crown of Beauty, Loses in Love and Marriage.

Hair is certainly most necessary to woman. Who could love and marry a bald-headed woman? What charms could one array to offset such a disfigurement?

A woman's goal is usually love and marriage. Her crowning glory is her hair. The loss of her hair mars her beauty, happiness, and success. Yet, right here in Hondo, there are thousands of women who are neglecting or injuring their hair to such an extent that it is only a matter of time when it will be utterly ruined.

Many women destroy the beauty of their hair through thoughtlessness or ignorance of certain facts. They use curling irons over-heated, or to excess, which destroys the natural oil of the hair, causing it to split, break, and come out. They do not shampoo their hair often enough, or too often. They use soaps or preparations which contain ingredients positively harmful to the scalp and hair.

As a result of such treatment, dandruff is created, the hair loosens, loses color, falls out, and baldness commences, unless proper and prompt precautions are taken in time. Then again, microbes and certain diseases bring about unhealthy scalp and hair conditions.

Almost any woman may rid herself of dandruff and diseased scalp and hair if she will but use the right remedy. We have that remedy, and we will positively guarantee that it will either cure dandruff and baldness or it will not cost the user anything.

Chamberlain's Stomach and Liver Tablets do not sicken or gripe, and may be taken with perfect safety by the most delicate woman or the youngest child. The old and feeble will also find them a most suitable remedy for aiding and strengthening their weakened digestion and for regulating the bowels. For sale by all dealers.

Foley's Honey and Tar Compound stops the cough at once, relieves the tickling and dryness in the throat and heals the inflamed membranes. Contains no opiates and is best for children and delicate persons. Refuse substitutes. Willmann & Martin.

We are waiting for some household economic sharp to tell us how to keep the baby from kicking all the bedclothes off in the middle of the night.

A cheap man always delivers a similar line of goods.

Why Take Calomel?

When Simmons' Liver Purifier is so tasty and pleasant, yet acts just as horridly as those harsh purgatives. (In yellow tin boxes only.) Price 25c. Tried once, used always.

NEXT Thursday will be Thanksgiving Day! He gives the most thanks who gives the most smiles, the most love and the most service. Let your Thanksgiving be voiced in good deeds!

ELSEWHERE we publish the official call of the President of the Medina County Good Roads Association for a meeting at the courthouse Friday, December 8, to consider the matter of good roads. This meeting is an important one and all who can should attend. If you have any ideas as to how Medina County's roads may be improved go to the meeting and air those views. If you have no such idea go to the meeting any way and maybe you can acquire a few.

On the second page of this paper we print two articles from the Bandera Enterprise in reference to a proposed railroad from Ft. Worth to Eagle Pass. The Enterprise makes some very timely suggestions which should be of especial interest to Hondo. Our people should lose no time in getting into touch with the promoters of this road, along the lines suggested by the Enterprise, and show them the advantages of the suggested Bandera-Quihua-Hondo-Batesville line. Will we wake up to this opportunity or go to sleep over it as we did over the branch road to Mico?

Now that the holidays are coming on, it is meet to again be warned to be careful with your fireworks!

BUY 'em early—those Christmas presents!

Be sure to ask for tickets when trading with these firms and bring them to this office and vote them for the young lady of your choice or give them to her.

DON'T be a "sweater"! If you are interested in what this paper contains subscribe for it and pay for it. It costs so little that any one can afford to subscribe for it and pay for it, and you should be ashamed to be a borrower of it.—Hondo Anvil Herald. It's a waste of time and patience to pay heed to such miserable rats. The Republic has had some experience with this class of rodents. They damn the paper, but are not averse to slipping around and filching and reading that of their neighbor; or, they receive the paper and when pay is requested, refuse payment upon the plea they "they didn't order it".—The San Antonio Republic.

IF all would contribute a mite to the salary of a night-watchman his salary could be raised without any one feeling the burden and all would share in his protection. It is wrong to saddle the burden upon a few.

Where To Get Tickets.

Beginning next Monday, November 27th, the following firms will give votes in the Anvil Herald's piano contest on the basis of 100 votes for each dollar's worth of goods purchased from them for cash until further notice. Don't ask for votes on credit purchases.

A druggist at Westmoreland, Kan., M. F. Moore by name, writes that he can get affidavits from customers saying that they were cured of chronic constipation, indigestion, etc., by the use of Dr. Caldwell's Syrup Pepson, the great laxative and tonic. He says, further, that he has been a druggist for 25 years, but has never known of a better remedy for these troubles than Dr. Caldwell's Syrup Pepson, which he also uses in his own family. It is absolutely guaranteed to do all that is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepson Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by all dealers at 50c and \$1 a bottle.

This is the season of year when everybody is advised to "do your Christmas shopping early," and nobody does it.

A Mail Carrier's Load

Seems heavier when he has a weak back and kidney trouble. Fred Duerden, Mail Carrier at Atchison, Kas., says: "I have been bothered with kidney and bladder trouble and had a severe pain across my back. Whenever I carried a heavy load of mail, my kidney trouble increased. Some time ago, I started taking Foley kidney Pills and since taking them I have gotten entirely rid of all my kidney trouble and am as sound as ever." Foley Kidney Pills are tonic in action, and quick in results. Try them. Willmann & Martin.

Traffic Problem Easy.

The Paris subway system carries more persons in the course of the year than that of New York. In the length of the two systems there is not a great deal of difference, but the New York system covers a fourteen-mile stretch of territory laid out in a straight line, to all intents and purposes, whereas the Paris system comprises a network in the center of the city. The problem of transportation in Paris is not nearly so complex as in New York and the congestion experienced in New York is unknown in the French metropolis, where the morning or evening rush is in all directions, while in New York the people all desire to go in the same direction at the same time. The travel in Paris is quite conveniently distributed throughout the whole day.

A Father's Vengeance

would have fallen on any one who attacked the son of Peter Bondy, of South Rockwood, Mich., but he was powerless before attacks of kidney trouble. "Doctors could not help him," he wrote, "so at last we gave him Electric Bitters and he improved wonderfully from taking six bottles. It is the best kidney medicine I ever saw." Backache, Tired feeling, Nervousness, Loss of Appetite, warn of kidney trouble that may end in dropsy, diabetes or Bright's disease. Beware: Take Electric Bitters and be safe. Every bottle guaranteed. 50c at W. H. Windrow's.

Nothing tickles us more than the sight of a man with false teeth who thinks that he is concealing the fact that he wears 'em.

"I am pleased to recommend Chamberlain's Cough Remedy as the best thing I know of and safest remedy for coughs, colds and bronchial trouble," writes Mrs. L. B. Arnold of Denver, Colo. "We have used it repeatedly and it has never failed to give relief." For sale by all dealers.

We never see a young man with a beautifully curled moustache but what we wonder a bit how much time he wasted on it.

"I do not believe there is any other medicine so good for whooping cough as Chamberlain's Cough Remedy," writes Mrs. Francis Turpin, Junction City, Ore. This remedy is also unsurpassed for colds and croup. For sale by all dealers.

A Household Medicine

That stops coughs quickly and cures colds is Foley's Honey and Tar Compound. Mrs. Anna Pelzer, 2526 Jefferson St., So. Omaha, Neb., says: "I can recommend Foley's Honey and Tar Compound as a sure cure for coughs and colds. It cured my daughter of a bad cold and my neighbor, Mrs. Benson, cured herself and her whole family with Foley's Honey and Tar Compound. Everyone in our neighborhood speaks highly of it." For night coughing, dryness and tickling in the throat, hoarseness and all coughs and colds, take Foley's Honey and Tar Compound. Contains no opiates. Always in a yellow package. Willmann & Martin.

MOSCOW'S MUNICIPAL PAWNSHOPS.
In Moscow, Russia, the pawnshop is a municipal affair. Last year over half a million articles were pawned, having a valuation of over \$3,000,000. It is noticed that in March and April the poor element of Moscow keeps the pawnshop busy, and during that period customarily parts with its war overclothing.

There is little danger from a cold or from an attack of the grip except when followed by pneumonia, and this never happens when Chamberlain's Cough Remedy is used. This remedy has won its great reputation and extensive sale by its remarkable cures of colds and grip and can be relied upon with implicit confidence. For sale by all dealers.

Bad.

One of the worst things about cold weather is that it gives every would-be actor a chance to show himself in an overcoat with a fur collar.

What makes a sore toe hurt worse is for the man who steps on it to walk away without apologizing.

Regulate the bowels when they fail to move properly. HERBINE is an admirable bowel regulator. It helps the liver and stomach and restores a fine feeling of strength and buoyancy. Price 50c. Sold by W. H. Windrow.

TEACH THE SICK TO JUGGLE

Manual Dexterity Is Also Beneficial to the Brain Worker of Sedentary Habits.

Speaking of conjuring, the allied art of juggling is one of the most amusing and valuable of diversions, especially to the sedentary. Many physicians become expert in juggling, but it is to their patients that it is most useful.

The bedridden, if they retain the use of their hands, may beguile many a weary hour in learning to keep three or four tennis balls in the air at once and in balancing sticks and other simple objects on the forefinger or on the chin.

For the brainworker who does not care for walking there is no better recreation. It has often occurred to us that in cases where there is any reason to fear some form of paralysis the educating of disused cerebral, cerebellar and spinal centers by the rapid juggling might serve to act as an efficient preventive.

We do not wish to claim too much for manual education of this kind, but we may point out that it tends to perfect nervous poise and that no juggling trick can be properly done if the performer indulges in dissipation even so mild as beer and cigarettes.—American Medicine.

The Twilight of Life.

The muscles of the stomach in old age are not as strong or active as in youth and in consequence old people are very subject to constipation and indigestion. Many seldom have a bowel movement without artificial aid. Many also have unpleasant eructations of gas from the stomach after eating. All this can be avoided by the use of Dr. Caldwell's Syrup Pepsin, which permanently regulates the bowels so that passages come naturally, and so strengthens the stomach that food is digested without discomfort. It is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by all dealers at 50c and \$1 a bottle.

KEEP HALF THE MONEY YOU HAVE BEEN IN THE HABIT OF PAYING FOR LIVING EXPENSES

SOLVE THE VITAL HIGH COST OF LIVING PROBLEM

THE problem of supplying a family with plenty of food of the best quality is a perplexing one. To the man and woman of moderate means it may seem a problem that cannot be solved. If you are a housewife, you understand how discouraging it is to have the price of beef or butter or lard go up. You know that if the price is very much, your plans are upset. It is unpleasant to cut down on the quantity or quality of the food your family eats. Yet, you must when this happens. You must if you want to make ends meet and are still a slave to the old-time plan of paying four or five dollars for four or five middlemen for food.

Now, look here! This cost of living problem is vital to you, isn't it? It really is a problem that you must solve.

Then you've got to save money, haven't you?

But, do you know the real way to economize? Do you know a way to economize that will not inconvenience you one bit?

There is a way. Over two million people have discovered it. Over two million people, every year, buy food, clothes, furniture, stoves—almost everything they need to use in any way—from Montgomery Ward & Co. on the one profit plan.

Now, how have they solved the serious "high cost of living" problem? How will you be able to solve it by buying life's necessities from us?

Simply by doing this—by paying only one-half to four-fifths of the money you have been spending elsewhere for life's necessities, and getting in return from us better merchandise than you heretofore have been using.

We will explain the matter to you. The reason you can save 20 to 50 per cent on the dollar from us, is, of course, because our prices are lower because we buy and sell 60 carloads of stoves, for instance, in a year where a dozen dealers only buy and sell half of one carload in a year. Now, you yourself know that if you buy a dozen pairs of stockings, you will get a lower price on each pair of stockings than if you had only bought one pair.

That is the way we do business. But, we buy and sell hundreds of thousands of pairs of stockings, for instance, at the rock bottom price.

Then, we give you the advantage of our ability to buy in such great lots. We ask you to pay only a very slight advance over the prices we pay.

Is that clear? Do you see that you really can save money by buying from Montgomery Ward & Co. Well, just try it once. Just send us a small order. See for yourself that every article is of first quality. Begin to save. You must.

THIS UNLIMITED GUARANTEE PROTECTS YOU— "SATISFACTION—OR MONEY REFUNDED"

Remember that we guarantee—positively guarantee—that every purchase you make will please you. In filling your order, we will make every effort to satisfy your requirements. But, if by any chance you should not be fully pleased, send your purchase back. We will refund your money without question, or we will make any exchange or alteration of the merchandise that you wish. Furthermore, we will pay all the transportation charges you have paid.

The way to start buying from us is to get from us as many of our money-saving books as you can use.

The grocery book is number 11. We issue a new grocery book every two months. When you send us your name, we will put it on our list to receive the book regularly.

Number 27 other books—clothes, stoves, furniture, sewing machines, organs, pianos, wall paper—everything you need and want to make the winter months pleasant.

Mark the books you want on the coupon. Tear or cut out the coupon, fill it out with your name and address. We will send you the books that will help you as soon as we hear from you. The sooner you send the coupon, the sooner you will get the books that will start you on the right way to solve the serious "high cost of living" problem.

Joe Ney returned Saturday from his tax collecting trip to Lacoste and Devine, and while making his way home through the dark streets and carrying his grip, collector's books, etc., fell on the side-walk just before reaching his residence and bruised his right hand so painfully that he has been compelled to carry it in a sling the greater portion of the week. It is improving and will soon have the normal use of it again.

A few patriotic spirits assembled at the courthouse Tuesday night to consider the matter of employing a night-watchman. Judge Haass presided as chairman and two applications were received, each naming a salary of \$50 per month. The applicants were Jim Hall and Will H. Moore, and on a ballot Mr. Hall was declared elected.

A committee consisting of C. J. Bless, Felix Batot and J. G. Heyen was appointed to circulate a list among the citizens to see if the salary could be secured and at last report the matter was still in the hands of the committee.

ED. ANVIL HERALD:-

After the close of my last week's letter, the sad news reached us that Mrs. Christina Moehring (nee Wilhams) had died at 10 o'clock that (Wednesday) morning, Nov. 15, 1911, at her home in Bader Settlement, and was laid to rest at 2 o'clock Thursday afternoon in the Castroville Lutheran graveyard by the side of her late husband, Mr. Ludwig Moehring, and where a large concourse of sorrowing relatives and friends followed the remains to its last resting place. Rev. Walter Kralik, pastor of the Lutheran Church at that place (and of which deceased was a member,) preached the funeral sermon at the church and at the grave. Deceased was born in Silbeck, Schaumburg Lippa, Germany, on Dec. 29, 1836, and was therefore, 74 years, 10 months and 21 days old at the time of her demise. The four daughter's and two son's survive her: Mrs. Theo. Balzen, Mrs. Hy. Stiegler, Mrs. Louisa Burge and Mrs. Louis Hutzler, and Messrs. John and Louis Moehring. The writer joins in sympathy for those who mourn:

Mrs. Louisa Burge of San Antonio was here for the funeral of her mother, the late Mrs. Moehring.

A baby girl gladdened the home of Mr. and Mrs. Louis Heyen on Tuesday, Nov. 14th. All concerned are doing well.

Miss Ida Folk returned home last week after an extended stay with her sister, Mrs. Henry Bendele, at Black Creek.

Aug. Martin shot and killed his saddle horse one day last week. After firing several shots at a fleeing deer and while in the act of replacing his Winchester in the scabbard, the weapon was somehow discharged and the ball entered the horse's body and the animal died soon after.

Last Friday night, Mr. E. A. Bohlen was tendered a pleasant surprise in honor of his birthday. A good crowd was present and the evening was spent in feasting and celebrating the natal day. And on Saturday night, a surprise was tendered Robert Mumme in honor of his birthday. A big crowd was present and the evening was pleasantly spent in playing games, etc. Lack of space compels me to omit the names of those present on both occasions.

Willie Fasler and family and Mr. and Mrs. E. H. Hartmann were here from Yancey the latter part of last week.

Willie Bohmfalk spent last Sunday with relatives near Elstane.

Louis Metzger left last Sunday for Lacoste where he will be assisting Mr. Jones of Hondo in building a house.

Rev. and Mrs. M. L. Darby and Mimke Muennink were here from Hondo Sunday evening.

A baby was born to Mr. and Mrs. Emil Fuos last Saturday night, but the little one did not live to breath the morning's air. It was buried Sunday in the family graveyard at Sturm Hill. The entire community has sympathy for the grief stricken ones.

Rev. A. Falkenberg, pastor of the Hondo Lutheran Church, will again hold services in the Quihi church next Sunday morning.

H. B. Taylor went to San Antonio last Friday and accompanied his son Oscar home from the hospital where he recently underwent an operation for appendicitis. The young man is improving rapidly and expects to return to work soon.

Hon. O. B. Colquitt has appointed Joe Langfeld of D'Hanis county chairman for Medina County to organize the county for the fight for higher prices for cotton, the initial steps for which were taken recently by the conference of Governors of the cotton states in New Orleans.

The electric light plant has been shut down this week on account of the removal of the dynamo from the Hondo Gin & Milling Co. plant to its new location at the ice plant. The shut down has been a source of a great deal of inconvenience but the public has the assurance that the service will be better than ever after the change is made.

Joe Ney returned Saturday from his tax collecting trip to Lacoste and Devine, and while making his way home through the dark streets and carrying his grip, collector's books, etc., fell on the side-walk just before reaching his residence and bruised his right hand so painfully that he has been compelled to carry it in a sling the greater portion of the week. It is improving and will soon have the normal use of it again.

A few patriotic spirits assembled at the courthouse Tuesday night to consider the matter of employing a night-watchman. Judge Haass presided as chairman and two applications were received, each naming a salary of \$50 per month. The applicants were Jim Hall and Will H. Moore, and on a ballot Mr. Hall was declared elected.

A committee consisting of C. J. Bless, Felix Batot and J. G. Heyen was appointed to circulate a list among the citizens to see if the salary could be secured and at last report the matter was still in the hands of the committee.

Mr. and Mrs. John Moehring and daughter, Josie, were here from the Lower Hondo Sunday.

Fritz Wohlschlegel and family were here from Hondo Tuesday.

Rev. J. F. Koch of Grassville, is the pastor who has been transferred from that place, to this, to take charge of the New Fountain Methodist Church. Some six or eight wagons went over to Hondo this morning to transport the Reverend's household belongings from there to this place.

Don't forget the entertainment and home supper at the school house Saturday night, for Prof. Meyers informed us that a good program will be rendered and that County Superintendent W. N. Saathoff probably will be the auctioneer. If the weather is agreeable a big crowd is expected and a good time assured.

New Fountain, Nov. 22, 1911.

A Pretty Church Wedding Wed- nesday.

One of the prettiest church weddings of the season was celebrated at St. Joseph's church Wednesday, Nov. 15th, 1911, at 9 a. m., when Miss Mary Henrietta Ehlinger became the wife of Mr. George Henry Kempf. After the ceremony those specially invited continued the celebration at the home of the bride's mother. The bride is the eldest daughter of Mrs. Christine Ehlinger, an accomplished young lady.
